SUPERHEROES ARE BORING BUT CHEESECAKE IS INVIGORATING. DEATH TO TIRAMISU.

prettyprophet:
Fucking Superman. I hate him as much as I hate cheesecake. Cheesecake can fuck off. Hey, Reich, update your manifesto. Oh, that's right, you can't do SHIT without me. It's tiramisu's time.

Lavie Rhap:
I was reading Funny's "Understanding Comics" by Scott McCloud and I must say, comics are a much more captivating medium than text alone. Then again, I do find comics less quotable...and Funny is telling me to delcare my love for cheesecake. It is delicious!
